Item 2: Preparation and approval of the voting list

The voting list proposed for approval by the general meeting is the voting list prepared by the Company, based on the Company's share register received by Euroclear Sweden AB, the notifications of participation in the general meeting received and the advance votes received, and as verified by the person elected to certify the minutes.

Item 4: Election of one or two persons to certify the minutes

The board of directors proposes that Carl Isaksson, attorney at law, at Baker McKenzie Advokatbyrå, is elected to certify the minutes of the general meeting or, in his absence, the person instead appointed by him. The task of certifying the minutes of the general meeting also includes verifying the voting list and that the advance votes received are correctly reflected in the minutes of the general meeting.

Item 6: Resolution regarding dividend

Background to the proposal – it is noted that this is not an item for resolution

On the Company's capital markets day on 20 September 2023, the board of directors communicated the ambition, subject to approval from the shareholders, to adopt a capital return program. This may be formulated as follows: "*The Company shall on an annual basis, considered a remaining attractive capital structure, distribute up to 50 percent of cash adjusted net profit. This will be divided into an ordinary dividend and an opportunistic share buyback program.*" For the performance of the full year 2023 the maximum size of the program is estimated to be SEK 100,000,000, where SEK 40,000,000 is distributed as a minimum normal dividend, and the residual SEK 60,000,000 up to the maximum amount of SEK 100,000,000 may be distributed either as an extra dividend or through an opportunistic share buyback program.

The Company is listed on Nasdaq First North Growth Market ("**First North**"), where share buyback procedures are restricted. The board has also communicated its ambition to change list to Nasdaq Stockholm ("**Main Market**") during 2024, which will make it possible to execute normal buyback procedures at that point in time. However there has been a growing interest for companies listed on First North to carry out so called "synthetic" share buyback programs. The board has evaluated that option together with well renowned legal advisors. Based on those legal advices the board refrain from executing any synthetic buyback programs since it is judged that it could potentially raise questions in connection with the list change to Main Market.

Awaiting the audited year end closing of 2023 and the progress in the uplisting project, the board therefore resolved to propose to the shareholders a capital return program for the first half of the year 2024 in the form of a dividend in a total amount of SEK 39,871,586.70, of which SEK 20,000,000.00 should be seen as ordinary dividend and SEK 19,871,586.70 as an extra dividend, in accordance with the below.

Proposal regarding resolution on dividend

According to the adopted annual accounts the Company for the financial year 2022, the unappropriated earnings according to Ch. 17 § 3 first paragraph of the Swedish Companies Act amount to SEK 3,532,077,624. No value transfer has been resolved since the annual accounts were delivered. Thus, the amount available for distribution according to Ch. 17 § 3 first paragraph of the Swedish Companies Act is SEK 3,532,077,624. In consideration of this, the board of directors proposes that the extra general meeting resolves on a dividend in a total amount of SEK 39,871,586.70, corresponding to SEK 0.45 per share, payable in cash.

The board of directors proposes that dividends shall be paid twice quarterly. Due to technical limitations at Euroclear Sweden AB, it is proposed that the quarterly dividend at the first payment amounts to SEK 0.23 per share, resulting in a total dividend of 20,378,810.98, and on the second payment to SEK 0.22 per share, resulting in a total dividend of SEK 19,492,775.72.

The proposed record dates for the quarterly dividends are on 1 March 2024 and on 1 June 2024. Payment from Euroclear Sweden AB is expected to be made on 6 March 2024 and 7 June 2024.
